

2021 Covid Precautions

The daily schedule at Champion Summer Camp is customized for all kids at camp and will change from day-to-day. Campers are grouped with other kids of the same (approximate) age and same gender. Each group will engage in a variety of activities each day such as soccer, basketball, kickball, arts & crafts, dance, dodgeball, tag, red light/green light, volleyball, Simon Says, golf, capture the flag, floor hockey, etc... If you can name it, there is a good chance that we will play it! In addition, we will sneak in some "goofy" activities like slip n slide, water balloon toss, bobbing for apples, etc.... over the course of the week. The bottom line is that we keep the kids active and outdoors through a variety of sports, games, arts & crafts, and carnival type events all of which are time-tested proven winners.

Please note that all precautions taken at camp this summer will depend on guidance that comes from the CDC, the San Mateo Health Department, and the Hillsborough School District. Precautionary measures will be managed on a week-to-week basis with the most recent guidance in mind and may change over the course of the summer.

The precautionary measures that Champion Summer Camp will be taking as needed includes:

1. Daily Health Screening & Temperature Checks for All Staff & Campers
2. Masking & Distancing
3. Mostly Outdoor Activity
4. Limited Camp Size (50% Capacity)
5. Limited Group Size & Consistent Interaction
